SUMMER SESSIONS’ FREQUENTLY ASKED QUESTIONS (FAQS)

Is UH Mānoa accredited?
Yes. UH Mānoa is accredited by the Western Association of Schools and Colleges (WASC), Email: wascsr@wascenior.org, Website: https://www.wscuc.org/.

Does UH Mānoa use the semester or quarter system?
UH Mānoa is on a semester system. One semester credit is the equivalent of 1.5 quarter credits.

Whom can I contact with questions about UH Mānoa Summer Sessions?
Please contact Outreach College Student Services for questions about Summer Sessions. Email: ochelp@hawaii.edu, Phone: (808) 956-7221. You can also visit us at Sinclair Library Room 310, Monday-Friday, 8:00am-4:30pm (page 5).

What does Summer Sessions at UH Mānoa cost?
Current tuition and fee rates can be found at outreach.hawaii.edu/summer/myuh/fees.asp.

Where can I see the descriptions for Summer Sessions courses?
Please visit the UH Mānoa Course Catalog: manoa.hawaii.edu/catalog (page 7).

What are the recommended maximum number of credits?
Summer Sessions courses are highly accelerated. If you are accustomed to taking fall and spring courses on a semester schedule, taking 6 credits in six weeks is the equivalent of enrolling in a 16 credit hour semester (or 24 quarter unit) load. We strongly recommend students enroll in no more than 8 credits per 6-week session.

What are “intensive courses”?
Intensive courses are scheduled four weeks or less. Taking a 3-credit course in 3 weeks is the equivalent of taking 16 credits in one semester or 24 credits in one quarter. We recommend that students take only one intensive course at a time. If you are planning to work full-time or part-time during the summer, taking an intensive course would not be recommended.

What are “Zero Textbook-Cost Courses”? These are courses in the summer schedule that have no textbook costs.

I am an international student. Can I attend Summer Sessions at UH Mānoa?
Summer Sessions is open to international students. Please visit page 11-12 for more information on visa and language requirements.

Do I need to have health insurance?
For all international students enrolled at the University of Hawai‘i, health insurance is a requirement. Health insurance may be purchased in your native country or at the University Health Services Mānoa (UHSM) office. You can also contact UHSM at (808) 956-8965 or uhsm@hawaii.edu (page 12, 27).

Do I need to take a TOEFL exam?
If English is not your first language, English language proficiency must be demonstrated. The TOEFL exam is a common way to do so (page 11).

Do I need to send a transcript to take Summer Sessions courses?
Send official transcript(s) only if English is not your first language AND your TOEFL score is less than 500+ (paper-based), 61+ (internet), or 173+ (computer-based) (page 11).

I would like to take a graduate level course, do I need to submit a transcript?
Yes, if you obtained your baccalaureate degree from a non-U.S. college or university (page 11).

Do I need to fill out the Residency Section of the Credit Application Form?
Yes. We need to determine your current residency status. If you have been attending a mainland school as a resident of that state, you are not considered a Hawai‘i resident. Official residency can be claimed only in one state.

Once you are accepted to the UH Mānoa Summer Sessions, you will receive a UH ID number. Go to myuh.hawaii.edu to create your UH Username (page 12-13).

How can I pay for my summer course(s)?
You can either pay by credit card on MyUH or by check in-person at any University of Hawai'i Cashier’s office (Credit card payments will NOT be accepted by the Cashier’s Office) (page 18).

Where do I get a UH student identification (ID) card?
Go to the Ticket, Information, and ID Office, which is located in Campus Center 212 (page 21).

Would it be okay to miss the first day of class?
No. Plan to attend class from the first day of instruction. Attendance may affect your final course grade. Students on financial aid should also plan to attend on the first day as instructors may be asked to verify attendance.

When are final exams scheduled?
Final examinations are usually scheduled during the last class meeting.

How do I receive my grades?
Grades are available about a week after the course is done. You can view your grades through MyUH and accessing STAR. If you have any questions about your grade, contact the instructor (page 17).

INTERNATIONAL STUDENT ADMISSIONS

outreach.hawaii.edu/summer/students/international.asp

Application Process for Visiting International Students

If you are planning to attend the UH Mānoa Summer Sessions, contact the nearest U.S. Embassy or Consulate in your country for visa information. Regulations are constantly being changed; the U.S. Embassy will have the most current information available. They will advise you of the proper documents needed to travel to Hawai‘i.

If you would like to attend UH Mānoa during the summer term:
1. Submit a UH Mānoa Outreach College Credit Course Application Form by fax or mail.
2. If your native language is not English, you must submit additional documents to prove English proficiency. See previous section on English Language Proficiency.
3. If you are told you need an F-1 visa to travel to Hawai‘i to study, you are required to request an I-20 (Certificate of Eligibility for Non-Immigrant Student Status) from Outreach College. Write “Need I-20” under the “List Visa Type” section on the application form. Upon admittance to Outreach College, you will be emailed information to request an I-20. For more information, see Visa and I-20 Information (outreach.hawaii.edu/summer/students/international.asp#visa).

International Students’ I-20 Request

Due to the length of time needed by the U.S. Embassy to process visa requests and regulations unique for each country, we strongly recommend that you request an I-20 no later than two months prior to the date the academic term begins. Example: for summer courses that begin in May, contact us for an I-20 no later than March 1. In some countries requests for an I-20 less than four months in advance may result in your visa being denied.

International Students’ I-20 Full Time Enrollment

All international students issued an I-20 from Outreach College for the Summer Session(s) are not authorized to drop or withdraw below a full-time course load for the duration of the term the I-20 was requested. Minimum credit hours for full-time enrollment are as follows.
• Undergraduate students - 6 credit hours/session
• Graduate students - 4 credit hours/session

International Students’ I-20 Distance Education Course Restrictions

For international students issued an I-20 from Outreach College for the Summer Session(s), immigration regulations restrict enrollment to one (1) online distance education course per session. The remainder of your minimum credit hour requirement must be a regular in-classroom instruction course or a hybrid course. A hybrid course is a combination of online and in-classroom instruction.

International Students’ Health Insurance

The University of Hawai‘i requires all non-immigrant students to have comprehensive medical insurance for the duration of their study here. Health care is very expensive in the U.S. and a hospital stay of even a day or two may cost thousands of dollars. For health insurance requirements or to purchase the University endorsed student medical insurance plan, visit the University Health Services web page for more information: hawaii.edu/shs/international/.

UH USERNAME

Your UH Username is your electronic key to gaining access to the University’s online services such as email, internet access, and registration for classes. Due to the sensitive nature of the Social Security Number, you must use your UH Number or UH Username as your student identification for all University purposes.
• **UH Number**: This is your UH student ID number. Look for your UH Number on your acceptance notification.

• **UH Username**: Your UH Username is the part of your UH email address before @hawaii.edu.

**Creating Your UH Username and Password**

We will notify you of your acceptance by email or USPS mail (if no email address was provided on your application) and send you your UH ID number. Upon receiving your UH ID number it is mandatory to create a UH Username and password, which will also activate your UH email account. You will be responsible for this account for the duration of your UH career, so please do not give out your account information (i.e., password) to anyone. For more information, go to the UH Username Practices page: hawaii.edu/askus/572. If you need assistance, contact the ITS Help Desk at (808) 956-8883 or email help@hawaii.edu.

**Instructions for New Students (if you do not have a UH account)**

If you are a new student, or do not have a UH account, you may request your UH Username online. Go to the Managing Your UH Username page (https://www.hawaii.edu/username/) and click on Get a UH Username. You will need to provide the following information to apply for an account:

• Your legal name (the name on your student application form or employment form);
• Your Social Security Number or UH Number;
• Your date of birth; and
• Read and agree to the Executive Policy EP 2.210 and Chapter 708, Hawai‘i Revised Statutes.

After you have completed the form, click on the Continue button to submit your request. You will be asked to create a password for your UH Username. You need to select two security questions and furnish the answers for these two questions. In the future, these two questions will allow you to reset your password online.

For additional information on creating a UH Username and password, please visit the Information Technology Services (ITS) website at hawaii.edu/its.

**Instructions for Returning UH System Students (if you had a UH account before)**

If you are a student returning to a UH system campus after one or more semester’s break, your UH account may have been disabled. If you did not enroll in ‘Ohana online services before your account was inactivated, go to the Managing Your UH Username page (https://www.hawaii.edu/username/) and click on Get a UH Username. You will not be able to receive official communication from the University via your UH email account, or login to the web registration system until your UH account has been reactivated. If you are enrolled in ‘Ohana online services, your access will automatically be restored after you have been accepted back into the University.

**UH Email Account**

[Email sent to your UH email account is considered an official channel of communication by the University, so you must check it regularly.](https://www.hawaii.edu/askus/572)

Email sent to your UH email account is considered an official channel of communication by the University, so you must check it regularly. After your acceptance email has been sent, all future email correspondence will be sent to your hawaii.edu email address. Important information from the University will be emailed to your username@hawaii.edu address. You can check your email through MyUH or directly at gmail.hawaii.edu.

**Expiration of UH Username and UH Email Account**

Students who will not register for classes after the summer will have a grace period of up to 180 days after the term ends, during which they will continue to have full access to basic online services. After the grace period ends, the student’s account will be disabled and all data associated with the UH Username will no longer be available. To preserve your UH email account and other online services, enroll in ‘Ohana online services during the grace period (hawaii.edu/askus/932).

Academic Calendars
outreach.hawaii.edu/summer/myuh/calendar.asp
Outreach College offers “Varied Schedule” courses, ranging in length from one week to twelve weeks. Each course has its own Academic Calendar that lists important deadlines for registration, withdrawals, and refunds. You should check the academic calendar for each of your courses to be aware of these important deadlines. To avoid financial and/or academic penalties (e.g., an “F” or “W” grade), you must drop any unwanted classes prior to the 100% refund deadline listed on the academic calendar for that specific course.

Choose one of these options to view academic calendar information.
1. If you have the CRN for the course, select the Academic Calendar Search page. This option allows you to enter the CRN of the course and view its academic calendar.
(outreach.hawaii.edu/calendar/main.html)
2. You may also select the Class Availability page and choose the course subject. Find the course on the subject list and click on the CRN to view the course academic calendar.

Consulting with Your Advisor or Home Institution
Before registering for classes, meet with your home institution academic advisor to review degree requirements and get help selecting courses. Credits earned at UH Mānoa are applicable toward degrees only as determined by your home institution.

Obtaining Course Syllabi
If you require a more detailed course description or syllabus, please contact the instructor listed on the Class Availability page or contact the department. Some departments provide course syllabi on their website. For a list of Academic Department Contacts go to outreach.hawaii.edu/summer/myuh/academic_contact.asp.

Finding Instructor Contact Information
Clicking on the CRN from Class Availability will bring you to the academic calendar that lists the instructor for the course. Clicking on the instructor’s name will give you a contact email address. If no instructor is listed, please contact the department of the course. See a list of Academic Department Contacts at outreach.hawaii.edu/summer/myuh/academic_contact.asp.

Recommended Maximum Number of Credits
Summer Sessions courses are highly accelerated and most meet everyday and we want you to plan your schedule and time accordingly. If you are accustomed to taking fall and spring courses on a semester schedule, a 3 credit summer course offered over three weeks is the equivalent of enrolling in a 16 credit hour semester (or 24 quarter unit) load. Taking 6 credits in six weeks is also the equivalent of enrolling in a 16 credit hour semester load. We strongly recommend students enroll in no more than 8 credits per 6-week session and no more than 3 credits per 3-week session.

GETTING READY FOR WEB REGISTRATION
Students register for UH Mānoa courses online by accessing the registration system through MyUH (STAR GPS). Be sure you have a UH Username and Password. Please review the information below to get started.
outreach.hawaii.edu/summer/myuh/registration.asp

Checking your Registration Status on MyUH
To reduce web registration problems, make sure you do not have outstanding financial obligations or health clearances and you are in good academic standing.

Clearing Holds
If you have holds that prevent registration, contact the office that placed the hold to determine the steps needed to clear and remove them. To view details on holds, including contact information, access the web registration system through MyUH.
If you have an outstanding financial obligation at any of the University of Hawai'i institutions (e.g., tuition, housing, bounced check, library, or parking fines) a financial obligation "hold" is placed on your record. This "hold" will prevent you from registering and receiving a transcript or diploma. To clear the hold, make your payment and contact the office that initiated the hold so that it may be removed.

**Course Prerequisites**

Students are responsible for meeting course prerequisite requirements. Courses with prerequisite requirements have a "pre:" notation in the course description listed in the UH Mānoa Catalog, manoa.hawaii.edu/catalog. If you have any prerequisite questions or you need an instructor's syllabus, contact the subject academic department office for information. If you have taken the prerequisite but are still unable to register for the course, contact the instructor or academic department office and ask for permission to register for the course. If approved, they will enter an approval into your student record that will permit you to register online. The instructor or department personnel cannot register you for the course.

**Course Restrictions**

Course restrictions can range from major or class standing restrictions to department/instructor required approvals. These restrictions are listed on Class Availability, right below the course title line. If you have questions regarding your eligibility to register for a course, contact the instructor or department offering the course. Registering for these courses without correct classification or the proper approvals may result in error messages when registering. Please see a list of possible error messages a student may receive when registering for a course with a restriction at: outreach.hawaii.edu/summer/myuh/approval_codes.asp#table.

**Placement Exams**

If you plan on registering for a course in one of the following academic departments, see the department’s website for information on placement testing.

- **Chemistry**  
  manoa.hawaii.edu/chem  
  For questions, email chemreg@hawaii.edu or call (808) 956-7480.
- **Language Course Level Placement**
  If you need assistance selecting the correct course level for a language course (e.g., Chinese, French, Hawaiian etc.), contact the academic department (see outreach.hawaii.edu/summer/myuh/academic_contact.asp).
- **Mathematics**  
  math.hawaii.edu/placement  
  For questions, email office@math.hawaii.edu or call (808) 956-4679.

**Deciding on Your Grading Option**

With a few exceptions, the letter grade option is automatically selected when you register online. However for many courses you may select one of three grading options:

- **Letter Grade (+/- grade system)**
- **Credit/No Credit (CR/NC)**. No letter grade given for this pass/fail option. The CR designation denotes C caliber work or better.
- **Audit (L grade on transcript)**

The summer terms are accelerated, so there is not much time to make changes to your registration once the term begins. View the academic calendar for your course, as this will show you course deadlines. The last day to register (add) is the last day to change grading options. For more details on grading options, go to the FAQs page at outreach.hawaii.edu/summer/general/faq.asp#grades or the UH Mānoa Course Catalog at manoa.hawaii.edu/catalog.

**Audit Procedures**

Auditors receive neither grades nor credit but the course will show on the Mānoa transcript with an "L" grade. Auditors are responsible for the full tuition and fees for the course. Auditors do not take course examinations. The extent of your classroom participation is determined by the instructor. If you wish to audit a course, call Outreach College Student Services at (808) 956-7221 or email ochelp@hawaii.edu to find out whether the course can be taken for the audit grade option and to request an Audit Approval Form. Obtain the instructor’s approval on this form. Currently, audit registration is not available online. You need to register in person or by mail or fax to Outreach College.

**WEB REGISTRATION**

Please visit http://www.outreach.hawaii.edu/summer/myuh/registration.asp for details on how to register, make changes to your registration, and pay for courses online.

**REGISTRATION PROCEDURES**

**Adding Courses**

Students may add a course online up to the last day to add as specified on the academic calendar for the course.
Dropping Courses
Students may drop a course without a “W” grade online up to the last day to drop (no “W” on transcript, 100% or 50% tuition refund) as specified on the academic calendar for the course. Note: “W” means withdrawal.

Withdrawing from Courses
Students may withdraw from a course online after the last day to drop until the last day to withdraw from class (“W” on transcript, no tuition refund). Dropping a course with a W grade means that you are withdrawing from the course and will receive a W grade.

• Financial Aid Recipients Dropping or Withdrawing From Courses: If you receive financial aid, please consult with a financial aid counselor from your home institution before dropping your course. You may be required to repay a portion of or all the aid you received (including tuition waivers).
• Visiting International Students Dropping or Withdrawing From Courses: All international students issued an I-20 from Outreach College for the Summer Session(s), are not authorized to drop or withdraw below a full-time course load for the duration of the term the I-20 was requested.

Registration Error Messages and Approval Overrides
During your web registration session, error messages inform you of conditions that prevent you from enrolling (adding or dropping) in courses.

For some error messages, academic departments, colleges, instructors, or administrative offices may give you permission to register for restricted courses by entering approval override codes into the registration database. After you contact the appropriate department or person and they enter the override into your record, register for the course online. See a list of possible error messages and recommended actions at: outreach.hawaii.edu/summer/myuh/approval_codes.asp#table.

Online Courses
If you are registered for a completely online course, please contact the instructor by email before the first day of the course. Most online courses use Laulima (https://laulima.hawaii.edu/portal). Laulima can conveniently be accessed 24 hours a day, 7 days a week, excluding down times for updates and daily maintenance. If you are having problems or do not see your course listed, request assistance from the Laulima homepage.

Reviewing Your Course Schedule
Sometimes courses are cancelled or course information changed. Be sure to review your schedule online.

If you are a visiting student, check your schedule before you commence travel to Hawai‘i. Checking your course schedule often for errors or updates is highly recommended.

Registration Changes
Students make changes to their registration online by accessing the registration system through MyUH (STAR GPS). Make adjustments to your schedule within the published deadlines as shown on the academic calendar for the specific course. The last day to switch sections, change grading options, and change the number of credits for a variable credit course is the same as the last day to add the course. Any changes to your UH Mānoa enrollment status may impact benefits you are receiving. Drops and withdrawals may affect students’ academic standing or financial aid standing. With this in mind, carefully consider the implications of decreasing your credit load.

If you do not officially drop a course, an “F” or “NC” grade may be assigned by the instructor in place of a passing grade. You may still be obligated to pay tuition and fees for these courses. Please check the academic calendar for the course for specific deadlines.

REGISTRATION POLICIES

Cancelled Courses
If courses are cancelled by the University, students will receive notification at their hawaii.edu email account. If your course is cancelled, you may select an alternate course, otherwise, a 100% tuition refund will be issued. Be sure to review your schedule online. If you are a visiting student, check your schedule before you commence travel to Hawai‘i. Checking your course schedule often for errors or updates is highly recommended.

Automatic Withdrawal, No Show Policy
Faculty will verify attendance of students registered in their courses by the end of the last day to add. Students who are reported as not having attended or participated (“no show”) will be sent a notification email to their UH email account and dropped from their class(es). Students who are receiving financial aid will have their aid recalculated accordingly.

Class Attendance
If you register for a class, but never attend or stop attending without officially withdrawing, you will receive an “F” or “NC” grade, as appropriate. Some departments require you to attend the first class meeting or your space may be assigned to another student and you will need to drop the class to avoid a grade of F.
Enrollment Verification
The Office of the Registrar can verify your current and past enrollment status for semesters you are or have been officially registered at UH Mānoa for health insurance, loan deferments, scholarships, or other benefits. For the Request for Enrollment Verification Form, please visit manoa.hawaii.edu/records/verification.html.

Grade Reports
Grades are typically available for viewing on the Wednesday following the end of each Summer Session. View your grades and unofficial transcripts through MyUH and accessing STAR. Grades reports are not mailed. If a grade has not been posted by the end of the summer term, the course instructor has not submitted the grade. Please contact the instructor directly regarding the status of your final grade.

Transferring Credits
If you intend to transfer credits back to your home institution, consult with your home institution advisor before registering. Credits earned at UH Mānoa are applicable toward degrees only as determined by your home institution. Your school may ask for a copy of the course description from the UH Mānoa Catalog (manoa.hawaii.edu/catalog). If you need a more detailed course description or syllabus, contact the instructor.

How to Order Official Transcripts
manoa.hawaii.edu/records/transcripts.html
Check with your home institution about transferring credits back. A transcript is usually required by the student’s home institution. You may request a transcript from the UH Mānoa Office of the Registrar by filling out the Transcript Request Form. Provide your home institution mailing address and transcript fee. A University hold may prevent your transcript from being issued.

All members of the campus community are expected to conduct themselves in a manner that does not infringe upon the rights of others. The university believes in zero tolerance for sex/gender-based misconduct. Zero tolerance means that when an allegation of misconduct is brought to an appropriate administrator’s attention, protective and other remedial measures will be used to reasonably ensure that such conduct ends, is not repeated, and the effects on the victim and community are remedied. The Office of Title IX has the specific responsibility for providing prompt and effective responses to all complaints of sex discrimination or harassment for faculty, staff and students. HOUSING

On-Campus Housing

University of Hawai‘i at Mānoa
Student Housing Services, Frear Hall
2569 Dole Street
Phone: (808) 956-8177
Email: uhmsh@hawaii.edu
Website: manoa.hawaii.edu/housing/summer

UH Mānoa Student Housing Services offers on-campus housing for students enrolled in credit courses during Summer I (six-week session), Summer II (six-week session), Combined Sessions (12 weeks), and Varied Date courses. Students registered for a minimum of one credit hour throughout any of these terms are eligible for student housing.

Residence Facilities

Over the past few years, UH Mānoa has dedicated over $80 million to build a new residence hall and modernize existing residence halls. Our facilities range from traditional residence halls to contemporary apartment units with one or two bedrooms. Residence halls offer recreation and study areas with shared bathroom facilities. Apartment units are furnished and accommodate two students in the one-bedroom unit and four students in the two-bedroom units. Front-desk service is provided at all residence halls.

General Assignment Information

- Assignments are handled on a first-come, first-served basis and early applications are strongly recommended. Those wishing to share a room or apartment with a particular person(s) must mutually request each other and apply for the same session and accommodation type. Every effort is made to accommodate such requests; however, there are no guarantees.
- To qualify for housing, each applicant must be registered for at least one credit course throughout the housing contract. Residents who drop their academic programs no longer qualify for housing, and their housing contract is terminated without refund. Residents who plan to arrive after their housing session has begun are advised to send written notification to the Housing Office before the session begins to prevent “no-show” penalties.
- Each assigned resident is assessed a security deposit. This deposit is refunded six to eight weeks following the end of the contract period, less any damage charge(s), if incurred.

Application Information

Go to the Student Housing website for details on housing, meal plans and applying for summer housing: manoa.hawaii.edu/housing/summer.

Crimes and other emergencies on campus may be reported directly to DPS. Students, faculty, and staff are encouraged to report all suspicious activities and/or persons observed on campus. Such calls should be made promptly to improve DPS’s ability to prevent potential crimes and/or apprehend suspects. Upon receipt of a call, security officers are dispatched immediately to the site of the emergency. All incidents are investigated and a report is filed by the investigating officer.

ELECTRIC POWER IN THE U.S.

You may need an adapter to fit U.S. electrical outlets. Line voltage in the USA is 110/120 Volt AC, 60Hz. If you intend to bring your own devices, you may need an adapter plug. Your device must be prepared to be switched to 110/120 V, otherwise you will either be unable to use it or have to buy a voltage converter, which is usually very heavy and expensive.

CELL PHONE/TELEPHONE USE

Country code United States: +1
Area code Hawai’i: 808

Cellular phone accounts are available from many vendors. However, you can also call home from pay phones available at multiple locations on campus. You can find plenty of information on travel websites about cell phone/telephone use in the U.S.

CURRENCY IN THE U.S.

American Bills and Coins
American bank notes or bills are all the same size and, with some variation, all in the same color. Bills come in $1, $5, $10, $20, $50, and $100 denominations ($2 bills are rare). Sometimes a business will refuse to accept a $50 or $100 bill because they are too large or because the business is concerned about counterfeit or illegal bills. You are safest in getting $20 bills from the bank for cash. Americans coins are 1 cent (penny), 5 cents (nickel), 10 cents (dime), 25 cents (quarter), 50 cents (half dollar) and 1 dollar (50 cents and $1 coins are rare).

Example of American bills in $1, $2, $5, $10, $20, $50, and $100 denominations.
Example of American coins in 1 cent, 5 cents, 10 cents, 25 cents, 50 cents, and 1 dollar.

**Cash Machines/ATM**
Many banks, UH Campus Center, and many grocery stores have 24-hour automatic cash machines that provide services such as making deposits and withdrawing cash from checking or savings accounts. To avoid usage charges at ATMs, be sure you know the system used by your bank.
